# Editor's Message

Dear Readers:

I want to thank all the students that have worked so hard with me to get everything finished on time. You have been a great help to me and have been a pleasure to work with. Look through this book and remember all the great times you have had throughout the year. This book will bring back many memories that you will always cherish. I am very grateful for all the experience I have received while being on the staff. And at this time I would like to Congratulate the class of 88. Good Luck!

Thank you,  
Coy Mullins, Jr.  
Editor  
1988 Green Knight
